About Me

Hello, I am Clint and I have worked in Information Technology since 1996, starting with relational databases and programming and then moving into networking and systems management. Support and client interaction has always been a integral part of what I am involved with. bla bla bla

Guidelines

...

...

What would you say you do here?

What drives you and why?

Your thoughts on opportunities and challenges.

What personal investments did you make in the last 12 months, and how did they impact you and the business?

Top professional accomplishment in the last 12 months?

What value did you bring to the business over the last 12 months?

What worked well, what didn't work well, what would you do differently, and how do you think this would alter the outcome?

What investments do you plan to make in the next 12 months, why, and what do you hope to achieve?

About Me

Sandcastles

Subject to environment & materials, subject to unexpected situations, planning needed, recovery experience , creative

Poetry

Excercise in concise communication (haiku), expansion of vocabulary, speaking with more color
